Tues Evening

Hello Jack:

Mom got 2 letters from you yesterday and ^{she} ^{15.00} she said Thanks. So you were lucky that's swell. And I got a letter from you yesterday also Jose got one & Marie too. And today Mom got a letter from you again with your picture in. Not bad. For a fact I think it's good. and I'll say the medal is the thing. All the letters we've been getting from you makes me feel bad that I haven't written sooner. But you know how it is. I was out to Henderson Fri Sat & Sun. and when I got home Ma was in bed with a cold. She didn't

Mom is going to give 10.00 to Aunt Theres on her bill.

have any voice at all. and
her chest hurt her. She's been
in bed all week. She feels
a little better today. But she's
still in bed mostly all day.
Joe was over today to fix
the washing machine. So I hope
the wringer works now.

I went over to Emily's home
to see her tree as she has
Phyllis now. The little girl
that Em used to have. They're
going to adopt her. She's going
to be 7 in Jan. She'll go to
St Ignatius school. Jose wrote
to you today and Billy did
too. I'll have to write to
Arnold tomorrow again. It sure
keeps me hopping along.

See! Jack you should see
the weather here now all.
it does is rain. It rained

yesterday and its raining out
tonite again. Terrible weather.
no more snow at all.

Jo went out for supper
with Graven tonite and
Marie & Em went to some
couple's house to play cards.
So its quite lonesome around
here. Billy is in there
listening to Red Sealton on
the radio and Ma is
in bed. I hear her coughing.
Em bought her some cough
medicine. We got the phone
bill today gosh and your
first telephone call was on
it. It was \$2.70. That waist
bad I didnt think. Arnold
was supposed to call me.
Xmas nite out at Lindens.
But the call never came
thru. The wires were too

Excuse the writing Jack I'm so tired & its 11 bells

Crowded I suppose. I waited until 12:30 but no call. He's still in Camp Chaffee. I had his photograph taken at Stan's on 25th when he was home and they turned out pretty good. You'll see them when you get home, which will be soon I hope.

and about the press jack I think you didn't get it on account of the xmas mail if you have any trouble from now on, let me know and I'll call them up. I'll call them & have your address changed tomorrow. Mom sends her love and she says be good and take care of yourself. You haven't done so bad this far gaining all that weight. That's swell, you can stand it. Well! Jack Bye - now. Love Mom & Dad
