afternoon.

Dear Jack:

It's about 4:30
now and I just finished
cleaning downstairs. I'm going
out to Hendens over the week
end. I'm taking the 7 o'clock
bus. Too bad you aren't
here to drive me to the bus
line. I sure used to appreciate
that. I haven't been out
there since Xmas. The time
flies so fast. And then too
I had a cold for a few
weeks and then Marion
came, so all it all I just
didn't get there. Arnold is
going to call us up tomorrow
nite at Hendens. He's still
at Camp Chaparral Arkansas

This address is Btry. 459th
~~74. 157. 4md. 74. BN.~~

Camp Chaffee Ark.
So dont loose this address.
We got your letter today
and you didnt say any-
thing about getting the package.
But I think youll get it O.K.
as I had it insured.

Be sure and write Lucy
& Paul a letter and thank
them for those things.
Jack. How do you like
the gloves also do they
fit? Mom told me I
should tell you we got
an announcement from
Al being af his marriage
in November. I dont
know whether I told you
or not. Also about the
iron Jack, Josephine said
she told you it was
broken.

mom said she's going to have Joe look at it.

maybe he can fix it.

Paul Peiper stopped over yesterday for awhile to see mom as she wasn't home Sun. That sure, was nice of him wasn't it. Mom thinks he looks more like his brother now since he's put on a little weight. Mom told him that she remembers him in her prayers all the time too. She always asked Paulie. Mom said I should tell you that Billy is wearing that medal you send home. I guess he thought it was for him. We got the telephone bill this week one of

your calls was 3.00 &
the other ones was 1.75.
Mom said the one call
was so much because
we all talked to you.
And that takes up time.
So I guess if ever call
again. You'll just talk
to mom & she can tell
us what you said. No
the car doesn't work
yet. But Craven is
coming to town tomorrow
again and I guess he's
going to try to fix it
again. The weather here
is grey & gloomy out today.
Not too cold but damp.
Josephine is getting ready to
go downtown to meet Ruth
O'Neil they're going to supper
and a show. Well Jack Mom
sends her love & she wants
you to be good & take care
of yourself.

Jack: I'm enclosing that
letter from Joe M. Mom
found it. She had taken
it upstairs and put it
in the drawer in her
dresser and she ran across
it the other day. So
anyway you can write
and tell him you just
got it. I took it out

of the envelope because it
was such a big one it
wouldn't fit in this one.
Also be sure + let us
know if you ^{get} the \$5.00 o.k.

Good-bye now

Ann Linden
