Thanks a million.

- Jack we've had so much snow
honestly you wouldn't know
Cleveland. Have you had a lot
of snow in Virginia? I like it
especially at Christmas time.
Wish you could be home for
Christmas Jack. I hope you have
a tree & everything down there & that
you enjoy Christmas in spite of
being away from home. As yet
we don't know whether or
not Arnold will get home.
Of course we hope he does.

We are all feeling O. K. Jack.
Mom & the rest of the gang.
Billy wrote you a letter a few
days ago. Did you get it?

Not much news Jack so I'll
say so long for now - and
Merry Christmas

Love
your sister Jose

P.S. Call Mom soon.
