Dear Jack -

Received your letter yesterday and also your picture which we thought was fine but didn't do you justice. And guess what Jack, we got the first check from the government yesterday too - \$37.00. Mom was tickled. Of course she's going to save part of it for you.

How are you feeling Jack? We are all pretty fair. Mom's cold is gone but last Tuesday when she was going to the store she fell and so now she has a bad arm. Her right one too. It isn't anything serious but it hurts her just

the same. She must have strained or sprained it when she fell. It's always something I guess. Aunt Theresa & Aunt Katherine are fairly well, and send their best regards to you. Mom & I went to see them during the holidays.

Jack, we got our company from Canada Thursday nite, Marion & her little girl Gail, so of course, we've been kind of busy entertaining. Marion looks the same. You remember her don't you? And her little girl looks just like Uncle Frank who is Marion's father. I don't know exactly how long they are going to stay but I imagine about a

week. —

So they finally got you to sing Jack. Well that's swell. We all got a kick out of reading that. Let us know more about it.

Mom's glad you're back to mechanics & truck driving Jack. ^{she} thinks it's safer. Did you ask to be put back? Do you like it better? Hope you still get a chance to be "Corporal Lewis".

Well Jack there's no more news that I can think of right now so I'll close for this time —

With Love
your Sister
