Dear Jack:

We received your letter yesterday and so I'm writing today and am enclosing the \$500 you asked for. Mom said you should forget about sending it back. After all you sent her a lot of money. Mom said to tell you that she got one check from the Government so far.

By the way, Jack, did you get the cigarettes yet? Let me know. Also we know if you got the Nuts from Marie. If you didn't receive them yet I'm sure they'll come any day. The reason for the delay is 'cause I had the Cigarettes sent to you by the May Co. where I bought them

and - I suppose they're busy.
Here's hoping you get them soon.

We are all fine Jack includ-
ing Mom. How are you? Not
much news Jack. Craven is in
again this week so I'm kept
pretty busy.

How's the weather down
there Jack? It's awfully cold
here ^{today} & has been all week, about
zero.

By the way Jack did you
send those pictures back. The
ones we took before you left? In
one of your letters you said you
were sending them back but we
never recieved them. It o.k. if
you still have them Jack. I'm
just wondering whether you
sent them. I hope they didn't
get lost in the mail. If you

haven't returned them ~~then~~^{yet} it's perfectly all right for you to keep them as long as you want to. - If you want any for yourself Jack just let me know and I'll have some printed for you.

Well Jack there's not much else to write about so I'll close for now.

Love
your sister
Jose

P.S. I'll send the iron
Jack this week & will
also send the gloves etc.
