

Denise -

If we "publish" a family cook book, maybe there's still time to add this recipe.

I have a lot of Aunt Ann's old recipes. This is in Aunt Ann's writing, Aunt Barbara's cake recipe and written on an old envelope of Aunt Marie's.

They were probably visiting (having tea) and used this env. to write down the old recipe.

What fun!

Hope all is well w/ you. God bless you in your new business endeavor.

Love
