Dear

I was gonna type a note to everyone - and started some - only to find out it was taking too much of my valuable time right now - still have boxes to go thru - still haven't found some important things - guess THAT box is on the bottom of the pile & I'm tired of lifting. So - here goes with that same letter to all of you & will add a few personal notes to the bottom -

YES - I got moved - and what a HORRIBLE experience - never wanta have to go through that again - after 27 yrs in the same large apartment (2 bedroom) and I discovered then what huge closets & cupboards I had & the huge kitchen..plus clearing everything out of a 2 room office - giving up my managing job of 11 years + my notary work - real estate, etc.(latter has been slow the past 2 yrs but still lots of files & paperwork to sort through,etc.) So - here I am in Murrieta and love my new home - will be happy when I get all these boxes opened & things in their proper place. A wonderful recreation area 2 blocks away with jacuzzi that holds 10 people & a large sauna & 2 pools(large) outside that area..can hardly wait to get the time to use them..did use the jacuzzi the other day & felt much better then as I had been in a very stressful-nervous state..I'm too old for a move like this. Tennis courts 2 blocks away too!

I'm 2 miles from Marian & Vin and 20 mi. from Helen..Bernie is not at all well (cancer of the throat discovered recently) so they make many trips(30 mi.each way) to SanDiego to radiation & chemo treatments - prognosis is not good..haven't seen Helen yet as she's VERY busy.

Hope all is well with you all..if you're ever in need of a day or 2 or ? - come visit me..I have 3 bedrooms..one so far is a den with sofa..hoping to set up a double bed in one room IF I can work it around my desk(office)..one bedroom(master) with twin beds..my furniture looks great in liv.rm & den..gotta work on the rest of it..didn't realize I had so much stuff..ha.

Phone No. (714) 677-7434..address on envelope..just in case you've thrown that out it is 28940 via Princessa, Murrieta, CA. 92563.
