Dear Aunt Louise & cousins
She felt awful
sorry when we heard the
bad news that time of Uncle
Joe, so we send two dollars
for mass. She never heard
anything yet whether you
got it or not. please let
us know

Did you hear yet that
Tony is in a sanatorium?
He has to stay for 3 or 4 weeks
So I'm alone here with the
boys. And did you hear
about Tracy being in a
hospital at Madison?
She are having some awful

Weather, it rains almost
every day.

I love all the rest of you
yet.

I haven't anything more to
write so will close

I hope to hear from you
soon.

Best regards to all.
