Help Needed for Mississippi

We have all heard about the devastation from the tornados and storms that hit Mississippi. We have had many requests to find out what we can do to help. Below is an excerpt from their State President. Monetary donations can be sent to NJSFWC and we will send one check to Mississippi.

"The Treasurer and I will distribute monetary funds to the needed communities that were hit hard, Rolling Fork, Cleveland area, and smaller communities that have been hit very hard and need our support. Egypt Road and Wren Road area are in most need that we are currently aware of but of course, there are more. 8 Days of Hope which is also providing support: Eight Days of Hope P.O. GFWC NEWS

Shot @ Life

From March 20 - April 30, Shot@Life supporters around the country will Advocate to Vaccinate, speaking to their members of Congress and their communities about the importance of fully funding global childhood immunization programs, including UNICEF, CDC, and Gavi, the Vaccine Alliance.

All GFWC members are welcome to join in the push to ensure #VaccinesForAll. Whether you have five minutes or an hour, there are ways for you to get involved. Sign the latest petition to send a message to your congressional offices. See our advocacy toolkit to find out about other ways to use your voice this spring—such as calling your legislators, writing an article for a newsletter, or meeting with your congressional offices.

Shot@Life is a campaign of the United Nations Foundation that aims to ensure that children around the world have access to lifesaving vaccines. Through public education, grassroots advocacy, and fundraising, we strive to decrease vaccine-preventable childhood deaths and give every child a shot at a healthy life no matter where they live.
