Presidents' Message

February is the month of love. Love has been extremely lacking in our community as late and it is up to all of us to correct that. While we may disagree on many things we can do so civilly and come together to Make the Community a Better Place.

We all need to move forward in love.

We must.

Thanks to:

Elaine and Alice for volunteering, once again, to be the nominating committee.

Elaine for coordinating our Valentines for Vets project. The cards this year were lovely and surely well appreciated!

Karen M. for once again coordinating our Alice Mietz Scholarship.

Thanks from:

NAMI Burlington County for our donation to their NAMI Walks.

NJ Assemblyman Ryan Peters for our community service, specifically our Scarecrow Contest and Thanksgiving dinner for on-duty police.

Things to Consider

Many Hands Make LIGHT Work

The nominating committee will be making telephone calls over the next few weeks. Please consider volunteering for one of the Executive Board positions. Any member who has served on the board previously is asked to consider a co-presidency position.

We are in need of fund raising ideas for this year. We have many programs that depend on fund raising and we will not be able to move forward with our agenda unless and until we increase our reserve. Anyone with ideas, please let Kathy, Shawn or Ellen know.

The Age of Light
by Whitney Scharer

"I'd rather take a photograph than be one," Lee Miller declares after she arrives in Paris in 1929, where she soon catches the eye of the famous Surrealist Man Ray. Though he wants to use her only as a model, Lee convinces him to take her on as his assistant and teach her everything he knows. As they work together in the darkroom, their personal and professional lives become intimately entwined, changing the course of Lee's life forever.
