Book Club

The Book Woman of Troublesome Creek
By Kim Michele Richardson

The hardscrabble folks of Troublesome Creek have to scrap for everything—everything except books, that is.

Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter.

Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler.

Things to Consider

We are looking to help Seneca High School with their food pantry. They are requesting **FROZEN** turkeys for families in need. Vicki will be collecting the turkeys on the morning of November 23 to be delivered that day. Please consider this worthy project.

We are considering once again providing Thanksgiving dinner for our on duty police officers. We will need a turkey as well as sides dropped off.
