President's Message

It's summer and hopefully the living will be easy again.

This year, this year.... but we are coming out of it and that is making all the difference.

So enjoy, give thanks and spend time with loved ones because that's what really matters!

'And so with the sunshine and the great bursts of leaves growing on the trees, just as things grow in fast movies, I had that familiar conviction that life was beginning over again with the summer.'

~ F. Scott Fitzgerald

The Photograph by Penelope Lively

Man Booker Prize-winning novelist
Penelope Lively's masterpiece
opens with a snapshot:
Kath, before her death,
at an unknown gathering,
holding hands with a man
who is not her husband.
The photograph is in an
envelope marked "DON'T
OPEN—DESTROY." But Kath's husband
does not heed the warning, embarking
on a journey of discovery that reveals a
tight web of secrets—within marriages,
between sisters, and at the heart of
an affair.

Things to Consider

Our Bench Park at Freedom Park is in need of
maintenance. Please consider using your green thumb
as we spruce it up.

We will be setting up a Ways and Means Committee
for the 2021-2022 year to discuss, coordinate
and carry out our much needed fund raising
events and projects. Please consider
joining this very important committee.

Dues, according to our By Laws, are due
by June 30th. Dues are \$40. If you
need an extension of the dues deadline, please let
Kathy or Shawn know.

The Medford Memorial Community Center, which
our club has called home for many years, experienced
financial hardship when they had to recently replace
the entire heating system due to an emergency situation.

Please consider
donating to their
