

## Corporate Donation Form

Our club began with a small group of parents and children involved in the sport of rodeo. This provided an outlet and arena for competition for our interested families. We rely solely on our club members and business sponsors to provide monetary prizes and winners' saddles for the children that compete. All money collected is returned to the student competitors in the form of prizes and recognition at the end of our season.

We invite you to make a donation to support the JDRC organization by checking one of the items below:

- \$100 donation \_\_\_\_\_
- Quarter of a saddle (\$500) \_\_\_\_\_
- Half of a saddle (\$1,000) \_\_\_\_\_
- Full saddle (\$2,000) \_\_\_\_\_

This club is instrumental in promoting good sportsmanship, responsibility, and keeping our youth in a positive environment. Your contribution will help promote these qualities in our young people of today.

Thanks for your support,

Jeff Davis Riders Club
