It's finally summertime! Now is the perfect time to book your appointments. Take some time to treat your hair and have it shine brighter than the summer sun!

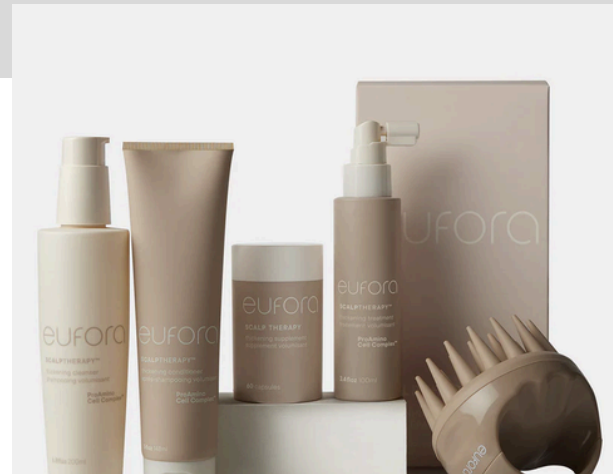

NEW SALON

We are thrilled to announce that as of June 1st our owner Valerie Sneddon will be taking ownership of Salon 218, located on 218 Fifth Street. Although Salon 218 will now be under Valerie's ownership it will continue to be it's own independent salon separate from Vintage Pearl. We plan to turn Salon 218 into a hair and spa location where you can not only refresh your hair but your mind and body, beauty and relaxation will be the goal! Our esthetician, Jairy Bernal, will likely be moving over to this new location soon!

Please stay tuned for more exciting updates and news! We are so happy to be sharing this journey with you!
