Rules for use of AHF Hall

Hall capacity: 100 persons

By order of Fire Marshal of Brevard County

- The Village Hall and facilities are provided by the American Homesteading Foundation (AHF) primarily for use by its members and associated groups. The following rules provide a means for the orderly use of the facility.
- A proper application form, completely filled out, is required. The application is necessary to provide for scheduling and approval.
- The AHF Board reserves the right to waive the requirements or rules if a special situation arises. The Board also reserves the right to accept or reject an application.
- Proper safeguards to the building and equipment must be observed by all users. These include:
 - Proper operation of the air conditioner/heater control. Read and understand instructions posted under the thermostat.
 - Ensuring that all exit doors are unlocked while Hall is in use. Re-secure upon departure.
 - DO NOT USE ANY TYPE OF TAPE ON THE TERRAZZO FLOORS. Adhesives will damage the finish on the floors.
 - Before leaving, check to make sure that all electrical equipment, except refrigerator, is turned off.
- Please leave AHF Hall in as good condition as you found it with all furniture replaced as found. A clean-up checklist is attached which must be followed in order to return the Hall to its previous condition. Cleaning supplies located in unlocked closet in Hall.
