CONFERENCE INFORMATION No.4 - Recall for Nominations for Election to the Board of Trustees 2026-2029

ACWW issued the initial call for Nominations for Election to the Board of Trustees 2026-2029 on 24 October 2024, and issued additional information for potential nominees on 7 April 2025. Nominations were received by the deadline of 25 April 2025 for the majority of positions on the Board of Trustees. However, two positions received no nominations.

ACWW's Constitution 2023, section 15.7.5 states:

"In the event of no nomination having been received for a Trustee position by the deadline, a further call for nominations shall be made immediately. If, following this second call, no nominations are received, an appointment to such Trustee position shall be made by the Trustees. The Trustees shall announce such appointment at the Triennial General Meeting after the elections have been concluded. Appointed Trustees shall hold office as is set out in clause 15.6.2."

Accordingly, ACWW is issuing Conference Information 4: Recall for Nominations for Election to the Board of Trustees 2026-2029 for the following THREE positions:

1. Board Lead for Knowledge Sharing and Local Activities (open to all candidates as laid out in this document)
2. Area President Europe (open to candidates from the Area)

Nominations for these three positions follow the process laid out in this document, and interested individuals are also invited to carefully consider **Conference Information No.3: Further Information for Nominations for Election to the Board of Trustees 2026-2029** which can be found on [ACWW's website here](https://www.acww.org.uk).

The deadline for nominations to be received at ACWW Central Office is 25 June 2025

CONFERENCE INFORMATION No.4 - Recall for Nominations for Election to the Board of Trustees 2026-2029

ACWW's Board of Trustees are elected by secret ballot every three years at the Triennial General Meeting. The next election will be held during the 31st Triennial World Conference in Ottawa, Canada, in April 2026. This call is sent to Members in accordance with clause 15.7 of the Constitution 2023. The following notes should be carefully considered:

- The Constitution 2023 (clause 15.4.1) requires members to elect 17 Trustees, who are also known as Board Members. All those elected as Members of the Board of Trustees carry legal responsibilities, as the Associated Country Women of the World is a charity registered in England and Wales. ([You can find the Constitution here](#)).
- Nominees will be required to complete an eligibility declaration from the Charity Commission of England and Wales before the election.
- Nominees must be full paid-up **Individual Members (Category 5)** of ACWW, both at the time of Nomination and at the time of Election.
- Nominees must also be an active member of a fully paid-up voting **Member Society (Categories 1, 2, or 3)** of ACWW. All Nominees require a written letter of reference from their own Society in support of their nomination. Additionally, Nominees for the post of Area President must be permanent residents within the Area they wish to stand for.
- The **working language of ACWW is English**, and Nominees must have a high level of understanding, and the ability to read and write in English, as well as be able to fully participate in meetings.
- No individual may accept nomination for more than one position on the Board. If multiple nominations for different positions are received at Central Office, the one received first will stand as the official nomination. It is the responsibility of the Nominee to ensure they do not accept nomination for more than one position.
- Elected Board Members are supplied with an ACWW-owned computer. Nominees must have a good working knowledge of Microsoft 365, and have regular access to the internet for communication.
- Nominees for the position of Area President must have attended at least one Area Conference. All other Nominees must have attended at least one Triennial World Conference.

RESPONSIBILITIES OF MEMBERS OF THE BOARD OF TRUSTEES

- Members of the Board of Trustees serve in their own right and, once elected, do not act as representatives of their own society, country, or Area.
- The Board of Trustees are collectively responsible for maintaining an effective and relevant Strategic Plan for ACWW.
- All Members of the Board of Trustees are involved in policy making and decision-taking. They are collectively responsible for distributing accurate information about ACWW, and should encourage rural women's organisations and individuals to become members.
- Area Presidents should maintain contact with Member Societies in their Area. They are expected to organise a financially independent Area Conference once per Triennium, with Member Societies in the Area. They are also expected to act as a two-way channel for information, surveys, and policy input between the membership and the Board.
- Board Meetings are normally held online. The Board meets regularly, and may decide to meet in person.
- All Nominees should be aware of the need to participate in regular Board Meetings online, and make every effort to attend the Triennial World Conference.
- Travel and Subsistence: When travelling on pre-approved ACWW business, Members of the Board of Trustees must make their own arrangements, including full insurance cover and visa applications, unless otherwise notified. ACWW will reimburse these approved costs together with airport and departure taxes (return economy travel, accommodation, and expenses for meals). All such claims must be made in line with relevant financial policies in place, and circulated to all Board Members upon election.
