Women Walk the World

Every year, women worldwide celebrate the 29th April as ACWW day. Since 2012, around this date, our members and their friends gather and walk together to raise funds, and share information about work with their communities. We call this celebration 'Women Walk the World'.

Supporting ACWW and Women Walk the World creates opportunities for women to mobilise within their communities as leaders participating in awareness-raising, and connect with each other through partnership and friendship.

Funds raised are donated to ACWW's Rural Women in Action Fund, which supports all of ACWW's work from development and empowerment projects to advocacy, education and awareness-raising.

Want to support and celebrate ACWW?

There are many ideas for how you can participate:

- Organising a walk around your local park or green space
- Going on a walking tour in your area
- Hosting an event with snacks and treats
- Walking around a desk globe or map - Walk the World!

Don't fancy walking?

- Have a knit-a-thon using ACWW colours
- Speak at a local society meeting in April about ACWW's work
- Ask local businesses if they would like to share an ACWW poster in their shop window
- Partner with another ACWW society - if you can't walk, sponsor their event through donating
