

Go in peace to love and serve your neighbor.

You are called to share the Good News that Jesus gave to us with the whole world. We found the way to heaven and should be so thankful that we want to celebrate. This attitude of celebration is called praise.

What are the good things God has given you that you wish to celebrate or praise Him for?

Your mission until the next Mass Book is to praise God when you see or experience something great.

Remember

In our last Mass Book, we focused on saying thank you. We thank God for sharing with us through the Bible, and we thank everyone, including God, who does good things for us.

One of the things that we can be thankful for is when we hear some good news. Write down some good news that you heard recently.

When we hear, “Good News,” it means that our lives are going to change for the better. Usually good news gives us hope and happiness. Maybe your friend who was going to miss your party can now come to the party. Maybe you find out that your family is going on vacation. Good News brings us joy.

Watch and Listen

When the lectors read the first and second reading they say: **The Word of the Lord**

You say: **Thanks be to God.**

The Priest or Deacon then gets up to read the Gospel. The gospels are the stories in the Bible about Jesus and the word “Gospel,” means, “Good News!” Why? Because Jesus came to share the best news we could hear, that our sins can be forgiven and that we can live with God forever in heaven.

The deacon says: **The Gospel of the Lord**

You say: **Praise to you, Lord Jesus Christ**

Praise is thankfulness turned into celebration!
