

My Mass Book

Go in peace to love and serve your neighbor.

There are some kids who don't like to eat vegetables or healthy food. But God made them so that we would be strong and healthy. One offering we can make to God is to eat the good food God gives us, even if we don't like it.

What is something else we can offer to God?

Your mission until the next Mass Book is to do something kind for someone else. You are offering them something good like God offers us good things.

Remember

In our last Mass Book, we focused on the prayers of the faithful. We learned that we can pray for anyone at any time. We can also pray for lots of people at the same time.

This week we are going to learn about the Offertory. This is the part of the Mass that we offer our money, our prayers, and the bread and wine that will be changed into Jesus. What prayer might you want to offer today?

The offertory is about more than just putting our money in the basket, it is also about offering God all the good things we do. Did you behave well this week? You can offer that to God. Did you do something nice for someone else this week? You can offer that too!

Watch and Listen

Do you remember what to say at the prayers of the faithful?

The priest says: **We pray to the Lord**

What do we say?

The offertory begins after the prayers of the faithful. We have prayed as a church and now we offer all the good things we did this week. Parents offer back to God some of the money they earned from their hard work. The church uses this and every other good gift to help people grow closer to God.
