BLESSED SACRAMENT PASTORAL COUNCIL MEETING AGENDA

01/09/2025, 6:30 PM

Vision: Continuing the work of Jesus.

Mission: To encourage all to encounter Jesus Christ by providing a Christ-centered Church, Parish, and Life.

Opening Prayer – God, help us navigate whatever challenges we encounter this day. Be our comfort and our rock. Guide us to do Your will and be an instrument of your peace today and each day. Amen.

Review and approval of minutes from November meeting

Reports:

1. President's Report

- As a reminder, prior to each council meeting, members should think about and suggest any topics they'd like considered for addition to the agenda. They should be received early each month to facilitate discussion and consideration by me and Fr Tim as we prepare for the meeting.
- Matt has placed a note on the printed bulletin notifying parishioners about meeting minutes availability on parish website. Minutes will be posted following council approval.
- Any further discussion from our October and November meetings relative to hopes, concerns and challenges for our parish (refer to meeting minutes)?
- Considering comments and concerns from various parishioners, we should formulate a plan as how to respond.
- Please welcome Pat Moran as the newest member of Pastoral Council. Fr Tim will include Pat in our Working Genius assessments and help identify a liaison position for Pat.
- A request was received by parishioner James Hurley, asking to be considered for membership on the council. I told him that no positions are currently open but sent him an application to be considered when a position becomes available.

- Liaison reports:

Parish Leadership Team report: Dave Raml and David DiMaria
