

I LOVE THE FLOWER GIRL- Artie Kornfeld/S. Duboff

(The real title is “The Rain, the Park, and Other Things”)

4/4 1...2...1234

Intro:  (2 measures)

I saw her sitting in the rain,

raindrops falling on her

She didn't seem to care, she sat there and smiled at me

Then I knew

she could make me happy, flowers in her hair, flowers everywhere

I love the flower girl, oh, I don't know just why, she simply caught my eye

I love the flower girl, she seemed so sweet and kind, she crept in-to my mind

I knew I had to say hel-lo,

she smiled up at me

And she took my hand, and we walked through the park a-lone

And I knew

she had made me happy, flowers in her hair, flowers everywhere

p.2. I Love the Flower Girl

I love the flower girl, oh, I don't know just why, she simply caught my eye

I love the flower girl, she seemed so sweet and kind, she crept in-to my mind

Suddenly, the sun broke through, I turned around, she was gone

All I had left was one little flower in my hand

But I knew she had made me happy, flowers in her hair, flowers everywhere

I love the flower girl, was she re-ality, or just a dream to me?

I love the flower girl, her love showed me the way to find a sunny day

(Repeat refrain, and fade)
