

## You Gotta Walk that Lonesome Valley (Key of C)

[C] You gotta walk that [F] lonesome [C] valley,  
You gotta [G7] walk it by your- [C] self,  
Nobody [F] here can walk it [C] for you,  
You gotta walk it [G7] by your- [C] self.

[C] My Father had to walk this [F] lonesome [C] valley,  
He had to [G7] walk it for him- [C] self;  
O, nobody [F] else could walk it [C] for him,  
He had to walk it [G7] for him- [C] self.

[C] We have to walk this [F] lonesome [C] valley,  
We have to [G7] walk it by our- [C] selves;  
O, nobody [F] else can walk it [C] for us,  
We have to walk it [G7] by our- [C] selves.

[C] You must go and [F] stand your [C] trial,  
You must [G7] stand it by your- [C] self;  
O, nobody [F] else can walk it [C] for you,  
You have to stand it [G7] by your- [C] self.
