Rent Overcharge Application - Information

Attached is RA-89 "Tenant's Complaint of Rent and/or Other Specific Overcharges in a Rent Stabilized Apartment". Please note that you are **REQUIRED** to submit **all documentation** in support of your claim of rental overcharge at the time you submit this complaint. Please note that:

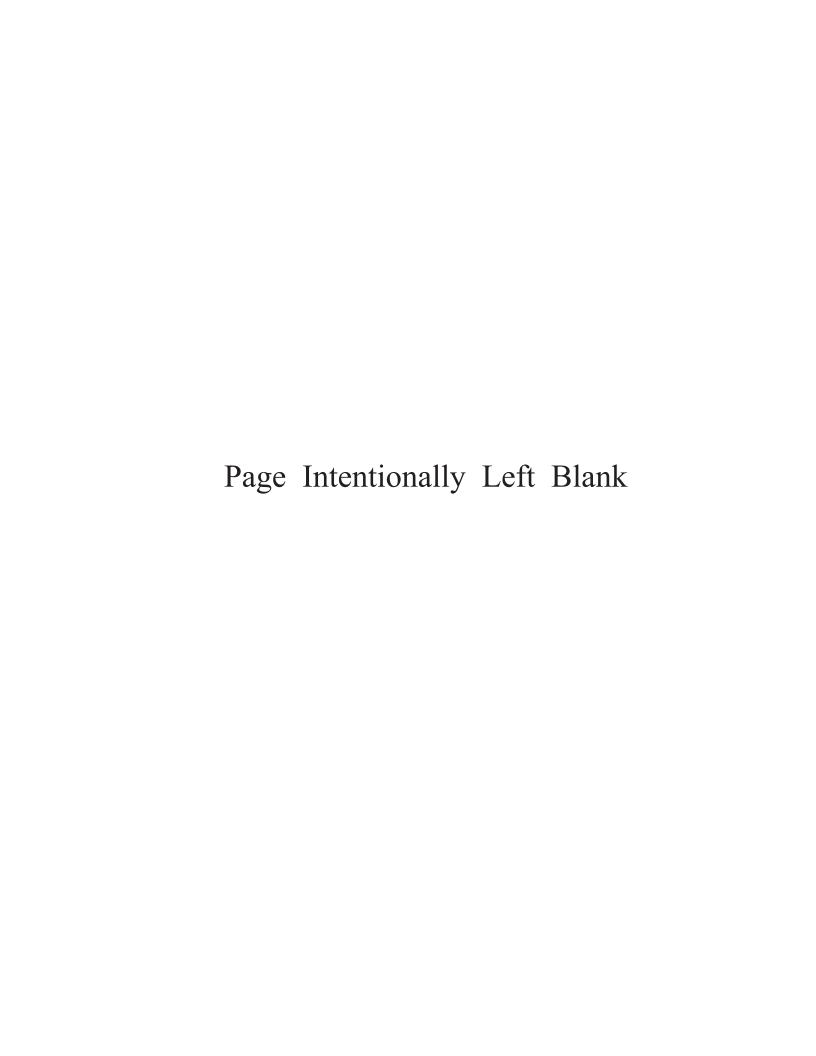

- all of the requested information/documentation is needed to process your complaint.
- the information requested is essential to accurately calculate your rent. Submitting as much information as possible with your application will aid in reducing the time required to process your complaint.

For fact sheets that summarize the provisions governing lawful rent increases, see Fact Sheet #26 for New York City; Fact Sheet #31 for Nassau County; Fact Sheet #31a for Rockland County and Fact Sheet #31b for Westchester County.

Before you file this complaint:

- Call our InfoLine (718-739-6400) to request a computer printout of the Registration History for your apartment. This will show the rent for your apartment as registered by the building owner within the past four years. While this printout **does not** represent a determination of the lawful rent for your apartment, reviewing it in conjunction with Fact Sheet #26 should provide you with valuable information about how your rent was computed by your building owner.
- If you still have questions, you may discuss them with your building owner.
- If you still feel you need to file a complaint, gather all documentation in support of your claim. This includes cancelled checks, leases, rent receipts, signed consents for individual apartment improvements and court decisions. Only documentation which relates to the subject apartment is needed.
- Complete all sections of the complaint, and make copies of all your documentation. **Submit two copies of the complaint and documentation to DHCR** and keep one copy for yourself. An incomplete complaint will be returned to you.

Once your complaint is docketed, you will receive an acknowledgment in the mail.
