Supporting stray, abandoned, neglected, and injured companion animals in Oceana County since 2011

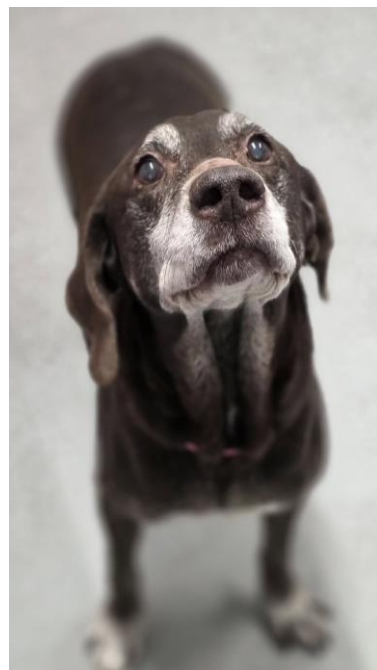

Your Donations at Work!

Wow! From April 2025 to April 2026, **your donations helped LASSI spend over \$53,000 on critical vet care and spay/neuter procedures.**

That's certainly the most ever in our history, and the best indication of how your support allows LASSI to keep its promise to help every single animal that needs assistance on its way from the shelter to its forever home.

Daisy (right) says Thank You for ensuring that older cats and dogs also get all the help they need.

Please Say Hello to Nico

Did you know that the Oceana County Animal Shelter accepted 241 cats like Nico in 2025?!

Cats are such wonderful creatures but often have to try to survive outdoors in uncertain conditions in our community. A cat like Nico that finds its way to our shelter has essentially won the Cat Lotto.

Nico found his forever home and is happily employed as a mouse security guard. Thank you!

Meet William ❤️

William is a wonderful example of how LASSI helps shelter animals in great need with your support. He ingested a tennis ball (not at the shelter) and almost certainly would not have survived without emergency surgery.

William is a wonderful adoption prospect who loves to shower humans with nonstop dog kisses and lives for walks, car rides, and all manner of adventure.

Here is where you come in. Because LASSI can afford to pay for major surgery if necessary, the shelter staff were able to accept William into their care knowing he would have large medical expenses.

Dog Walkers Needed

Need an activity to get you out of the house & moving?! The shelter dogs would love to spend time with you while they are awaiting their forever homes!

Whether it's one day a week or one day a month...an hour or two spent walking our shelter dogs makes a world of difference for them

Contact the Oceana County Animal Shelter via a Facebook message, call 231-861-5395, or stop by the shelter between 8 and noon Monday – Saturday.

L.A.S.S.I. - Local Animal Shelter Support, Inc. is a 501(c)(3) charitable organization. P.O. Box 160, Pentwater, MI 49449
