

Pool Service Technician

Kiso Group is looking to add a professional, reliable, hard-working Pool Service Technician to our team. Applicants should be willing to learn, have a team-first attitude and be flexible to changes on a daily basis. Excellent communication skills are highly valued. Previous experience in the pool service industry is preferred.

Responsibilities & Requirements

- Ability to lift, move and maneuver physical objects weighing up to 50 pounds.
- Complete service paperwork and effectively communicate with Kiso's Management.
- Education of chemicals and their potentially hazardous properties.
- Maintain company equipment and chemical stock levels in the service vehicle.
- Manage a complete pool service route throughout the entire South Florida area.
- Professional appearance, included but not limited to: Kiso uniform and proper footwear.
- Repair and replace faulty pool equipment.
- Understand proper cleaning and maintenance methods for each unique property.
- Vacuum pools, spas and clean DE filters as needed.
- Valid driver's license and clean driving record.
