Greetings,

My name is Vernon King. Thank you for taking the time to view my resume as I seek to become part of your team!

I've been in ministry for more than 15 years, working with kids, teens, young adults and their families in church sizes between 50 – 20,000 members. In addition, I hold a master's degree in child and adolescent psychology, a bachelor's degree in communications and public relations, and a doctorate in educational psychology and technology, which I am currently pursuing. I think I'd be a fantastic fit for your open position given my experience and education background. As you will see below, I have experience in church ministry, education, business management, and marketing.

My resume demonstrates that I have continuously received promotions and more responsibility as a result of my hard work. These accolades are a direct result of my proficiency in marketing, management, church ministry, secondary/higher education; my dedication to both professional and personal excellence; and my outstanding oral and written communication abilities.

Please give me a call at 214 – 587 - 1333 if you have any questions or would like to arrange an interview. Additionally, you can view some of the most recent sermons, ministry initiatives, and more by visiting www.vernonkingjr.com.

I'm excited to meet with you and talk more about job openings.

Sincerely,

Vernon King Jr.
