OMNIYAT

A realm
above
the ordinary

Embodying the Latin meaning for 'sail' and 'wind', VELA VIENTO ascends to celestial heights above Marasi Bay, where land and water converge into a lifestyle without compare.

Designed by renowned architectural firm, Foster + Partners, and furnished by Parisian duo, Gilles & Boissier, VELA VIENTO exemplifies the delights of indoor-outdoor living in lavish proportions. Landscaped terraces, double-height living and private pools provide spaces to relax, entertain and watch the energizing vistas of Marasi Bay, Burj Khalifa and Downtown Dubai.

Beyond the elegance of premium design, a lifestyle of comfort and ease awaits at the hands of Dorchester Collection's legendary service. Here, owners enjoy the luxury and freedom of a private home with the added convenience and prestige of outstanding service and amenities.

*Unveiling
the future*

At the dawn of OMNIYAT's upcoming, ultra-luxury waterfront destination, VELA VIENTO builds on the uplifting legacy of its sister property, VELA.

Together they frame the gateway to Downtown Dubai drawing the eye towards the future of this evolving city.

Occupying the most fascinating location in the Burj Khalifa District, here is where innovation and expertise converge to fuel a lively pace that dances through the promenade and waterfront ways in a fresh definition of sophisticated living.
