B. APPROVAL OF FINANCING: Approval for the financing described above will be deemed to have been obtained when Buyer Approval and Property Approval are obtained.

1. Buyer Approval:

This contract is subject to Buyer obtaining Buyer Approval. If Buyer cannot obtain Buyer Approval, Buyer may give written notice to Seller within \_\_\_ days after the effective date of this contract and this contract will terminate and the earnest money will be refunded to Buyer. If Buyer does not terminate the contract under this provision, the contract shall no longer be subject to the Buyer obtaining Buyer Approval. Buyer Approval will be deemed to have been obtained when (i) the terms of the loan(s) described above are available and (ii) lender determines that Buyer has satisfied all of lender's requirements related to Buyer's assets, income and credit history.

This contract is not subject to Buyer obtaining Buyer Approval.

2. Property Approval: Property Approval will be deemed to have been obtained when the Property has satisfied lender's underwriting requirements for the loan, including but not limited to appraisal, insurability, and lender required repairs. If Property Approval is not obtained, Buyer may terminate this contract by giving notice to Seller before closing and the earnest money will be refunded to Buyer.

3. Time is of the essence for this paragraph and strict compliance with the time for performance is required.

C. SECURITY: Each note for the financing described above must be secured by vendor's and deed of trust liens.

D. FHA/VA REQUIRED PROVISION: If the financing described above involves FHA insured or VA financing, it is expressly agreed that, notwithstanding any other provision of this contract, the purchaser (Buyer) shall not be obligated to complete the purchase of the Property described herein or to incur any penalty by forfeiture of earnest money deposits or otherwise: (i) unless the Buyer has been given in accordance with HUD/FHA or VA requirements a written statement issued by the Federal Housing Commissioner, Department of Veterans Affairs, or a Direct Endorsement Lender setting forth the appraised value of the Property of not less than \$ \_\_\_\_\_; or (ii) if the contract purchase price or cost exceeds the reasonable value of the Property established by the Department of Veterans Affairs.

(1) The Buyer shall have the privilege and option of proceeding with consummation of the contract without regard to the amount of the appraised valuation or the reasonable value established by the Department of Veterans Affairs.

(2) If FHA financing is involved, the appraised valuation is arrived at to determine the maximum mortgage the Department of Housing and Urban Development will insure. HUD does not warrant the value or the condition of the Property. The Buyer should satisfy himself/herself that the price and the condition of the Property are acceptable.

(3) If VA financing is involved and if Buyer elects to complete the purchase at an amount in excess of the reasonable value established by the VA, Buyer shall pay such excess amount in cash from a source which Buyer agrees to disclose to the VA and which Buyer represents will not be from borrowed funds except as approved by VA. If VA reasonable value of the Property is less than the Sales Prices, Seller may reduce the Sales Price to an amount equal to the VA reasonable value and the sale will be closed at the lower Sales Price with proportionate adjustments to the down payment and the loan amount.

E. AUTHORIZATION TO RELEASE INFORMATION:

(1) Buyer authorizes Buyer's lender to furnish to Seller or Buyer or their representatives information relating to the status of the approval for the financing.

# For Your Protection: Get a Home Inspection

## Why a Buyer Needs a Home Inspection

A home inspection gives the buyer more detailed information about the overall condition of the home prior to purchase. In a home inspection, a qualified inspector takes an in-depth, unbiased look at your potential new home to:

Evaluate the physical condition: structure, construction, and mechanical systems; Identify items that need to be repaired or replaced; and Estimate the remaining useful life of the major systems, equipment, structure, and finishes.

## You Must Ask for a Home Inspection

A home inspection will only occur if you arrange for one. FHA does not perform a home inspection. Decide early. You may be able to make your contract contingent on the results of the inspection.

## Appraisals are Different from Home Inspections

An appraisal is different from a home inspection and does not replace a home inspection. Appraisals estimate the value of the property for lenders. An appraisal is required to ensure the property is marketable. Home inspections evaluate the condition of the home for buyers.

## FHA Does Not Guarantee the Value or Condition of your Potential New Home

If you find problems with your new home after closing, FHA cannot give or lend you money for repairs, and FHA cannot buy the home back from you. Ask a qualified home inspector to inspect your potential new home and give you the information you need to make a wise decision.

## Radon Gas Testing

The United States Environmental Protection Agency and the Surgeon General of the United States have recommended that all houses should be tested for radon. For more information on radon testing, call the toll-free National Radon Information Line at 1-800-SOS-Radon or 1-800-767-7236.

Ask your home inspector about additional health and safety tests that may be relevant for your home.

## Be an Informed Buyer

It is your responsibility to be an informed buyer. You have the right to carefully examine your potential new home with a qualified home inspector. To find a qualified home inspector ask for references from friends, realtors, local licensing authorities and organizations that qualify and test home inspectors.

RE: \_\_\_\_\_ (Property)

DATE: \_\_\_\_\_

The attached list includes inspectors licensed by the Texas Real Estate Commission and may also include other persons authorized by law to perform certain inspections (for example, termite inspectors, engineers, electricians, or plumbers). The list is not a complete list of all inspectors that may perform inspections. You may also obtain a list from other sources (for example, the local telephone directory or the Internet).

This firm strongly recommends that you hire inspectors to help you evaluate the condition of the Property.

Inspections are of conditions which are present and *visible* at the time of the inspections. Property conditions change with time and use. Inspectors are not likely to point out small problems or defects that are not reasonably observable at the time of inspection. Inspectors will not move furniture, appliances, permanent coverings, or other obstructions. Neither inspectors nor real estate licensees can guarantee future performance of any item.

This firm does not recommend any particular inspector and does not warrant the quality of any inspector's inspection.

It is recommended that you accompany the inspectors during the inspections. You should address any questions about an inspection directly to your inspector.

Real estate licensees are not inspectors by virtue of their real estate licenses.

It may be necessary to make certain arrangements for the inspectors, such as providing access and turning on utilities.

Receipt of this notice is acknowledged and:

- I choose to hire an inspector.
- I choose not to hire an inspector.

As of this date, the rate of taxes levied by the district on real property located in the district is \$ \_\_\_\_\_ on each \$100 of assessed valuation. If the district has not yet levied taxes, the most recent projected rate of tax, as of this date, is \$ \_\_\_\_\_ on each \$100 of assessed valuation.
