

IRRIGATION PAYMENTS AND ANNUAL HOA FEES should be mailed to:

NORTHWOOD PARK ESTATES, P.O. BOX 82, BUCKEYE, ARIZONA 85326.

Please do not “*hand deliver*” irrigation and HOA payments. **Cash is Not accepted.** All payments should be mailed to **PO Box 82**. Hand delivered checks, or cash, are easily misplaced and can get lost in the daily shuffle. A **Pay Pal** option is also available on our Web site. **Bill Pay** may also be an option through your bank, use your **Lot#** as your account number.

To better serve you, and to make the posting and scheduling process easier, plan in advance and get your checks in the mail.

Irrigation is scheduled every three weeks. Mail will be picked up on the Monday’s. Any money received is posted and deposited on Tuesday. Scheduling is done on Wednesday and called in on Thursday morning. Irrigation water will normally start sometime on Saturday. (based on RID availability).

The schedule will be posted on the Community Board and an Orange Flag  will be put up which denotes the schedule has been posted. At that time, you can check your irrigation start and end time and also sign up for the next cycle.

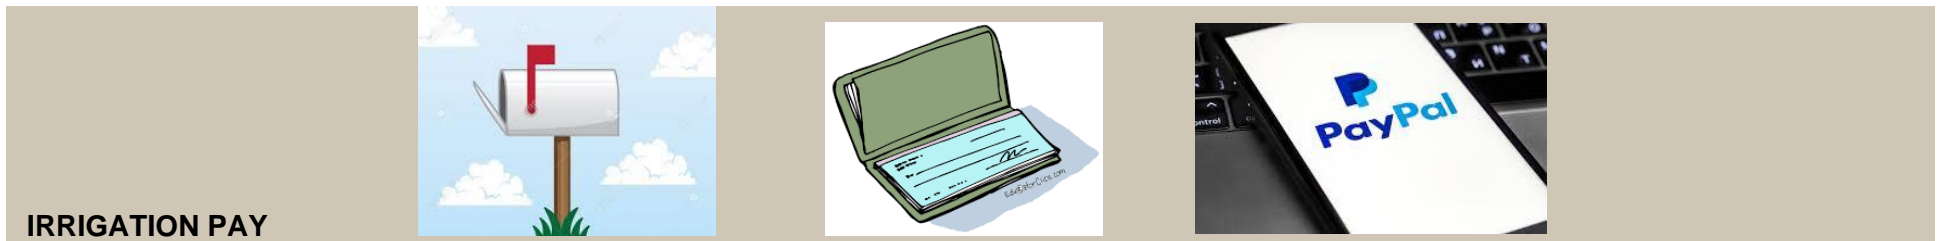

An email will also be sent out to those irrigation recipients that have filed an email address with the HOA Board.

Current plans are in place to post the irrigation schedule on our Website at Northwoodparkestates.org.

You must always irrigate at the time you have been scheduled for.

Please remember to keep your irrigation account balance at \$25.00. If your balance goes below \$25 you will not be scheduled. Also, Annual HOA fees must also be current to receive irrigation water.

Always reference your **Lot#** on your check.

IRRIGATION PAY
