“Student Tour Sponsorship”

Dear _____,

I am planning to participate in an amazing World Strides Choral Festival Competition in Spring of 2020 with my friends and classmates from Ayala High School Choir.

We'll spend a total of 5 days and 4 nights in **Seattle, Washington**, performing and competing with top notch schools from all around the country. We will also have the opportunity to visit local educational and historical sights.

In order to take part in this wonderful experience, I need to raise \$1,600 to pay for transportation, lodging and competition entry fees. I am writing to ask for your financial support. Any contribution you make will bring me closer to my goal.

Additionally, the "Ayala Choral Boosters" is an IRS non-profit 501 (c) (3) organization, thus, your contributions may be tax deductible (Tax ID# 33-0871329) but check with your tax preparer.

Thank you in advance for your contribution. Here are the ways you can make a donation:

1. Make a donation online at: (**www.ayalachoors.org**) and please write the purpose of the donation and your student's name in the "notes" box provided.
2. Send a check to: (**Ayala Choral Boosters, P.O. Box 2285, Chino Hills, CA 91709**) in the stamped envelope I've provided (no cash please).

Thank you again!

Sincerely,
