The attached items have been reviewed, by TCHS Guidance Department as Outreach Opportunities, when volunteering for Adriana's Attic, Inc.

A few helpful hints:

- Under the section "Social Issue I will address" we are under the Poverty/Hunger/Homelessness
- Proposed Organization(s) to complete service: Adriana's Attic, Inc.
- Some information to answer the question "How will you address the social item selected above?" Adriana's Attic works with the homeless and low-income poor in the area via various outreach opportunities.
- MAKE SURE YOUR GUIDANCE COUNSELOR PRE-APPROVES THE FORM. NO GUIDANCE APPROVAL, NO HOURS AWARDED.
- Students must earn the hours. We will not sign off on any paperwork unless the student has completed the task and the student provides us the preapproved form to sign off on hours.

ADRIANA'S ATTIC, INC

ORLANDO, FL

May 2021

Adriana's Attic is a not-for-profit charity registered with the State of Florida and IRS as a 501(C)(3) charity. We have been serving the Orlando community for since 2009. Our community outreach programs are designed to help those in need by providing clothing, hygiene supplies, medical supplies, food and other needed items to the homeless and low-income poor. Our programs continue to grow with the growing needs in our area and through the generous support from volunteers and the community. For more information, please see <https://adrianasatticinc.org/volunteer-information>

Currently we have the following service projects.

Plastic Bag Mats for the Homeless

Who doesn't have a drawer-closet-basket chock full of plastic bags just screaming to be recycled and upcycled? Why not combine your plastic bag stash with a community service project to benefit local shelters and the homeless in your area?

This project allows students to combine their creativity, talents, and labor to provide sleeping mats for individuals and organizations in need to weather the elements all by using plastic yarn made from plastic bags.

Each mat can take over 10 hours to make!

Homeless Hygiene Packs

Taking a shower and washing up are luxuries to our homeless population. Hygiene Packs are pre-made packages that you can make and turn in for volunteer hours. The packages are handed out to the homeless and low-income poor. Additional information is available on our website.

Word on the Street Homeless Dinner

The last Sunday of each month Adriana's Attic sponsors a meal for The Word on the Street (WOTS) Ministry. Students make meals and serve the dinner to the homeless (all meals must be homemade and ready to serve). We post the signup for each month's meal on our FB page and send via email to people who have registered for our emails on our website.

We have other projects throughout the year that students may want to volunteer for including donation days, organizing a collection drive, working with the elderly & intellectually disabled and holiday specific projects.

Sincerely,

Jennifer Giessler
