# ABOUT ENCORE

---

**SY ENCORE serves as a testament to the skill and knowledge of the Yard that built her, Alloy Yachts, along with an Owner and Captain who were prepared to challenge the Yard to ever higher standards throughout the design and build process.**

**S**Y ENCORE, the last sloop built at Alloy Yachts serves as their final accomplishment, launched in 2013 and refitted both in 2019 and 2023, the 43.9m SY ENCORE is a yacht of notable pedigree which has consistently been maintained and upgraded since her delivery.

Having never changed ownership since her launch, along with a Captain who was an integral part of the build process and current management and operation of the vessel, there can be no more compelling option on the market today.

SY ENCORE is undoubtedly for a Client looking for the highest quality custom yacht that has been built to date, she represents the perfect opportunity to acquire and benefit from a team who brought decades of experience to the build and operation of SY ENCORE.

Constructed in aluminium with a Southern Spars carbon fibre mast and boom, as well as EC6 carbon rigging that has further weight saving advantages and a powerful optimised sailing plan, ENCORE offers exceptional sailing performance no matter the conditions, an ideal setup for global cruising.

ENCORE bears an elegant and timeless exterior design that is synonymous with these iconic, bluewater cruisers. There's accommodation aboard ENCORE are for up to ten guests across four finely finished cabins. The arrangement comprises a master suite, two queen-size doubles and a twin, all equipped with ensuite facilities, coupled with a generous upper and lower salon.

The interior style is a traditional yachting atmosphere with American walnut, the main saloon is split level, with space to relax and dine in the lower salon, with a bar and panoramic views from the upper salon.

Teak runs underfoot on deck, and there's a seating area in the shaded centre cockpit, offering protection from the elements no matter the latitude . On the foredeck, there's stowage space for a 5.5m tender which can easily be deployed by the crew.

SY ENCORE is a proven world cruiser, this is a truly outstanding sailing yacht and she has been maintained to impeccable standards. Only ever used privately, she is offered for sale by her original owner in outstanding condition.
