

Join us for Southgate Crossing Summer Fest!

Southgate Crossing is one of the largest Amish-built peg & beam structures in the USA. This beautiful building will be a stunning backdrop for the work of dozens of local companies looking to promote their services. Its expansive parking lot and many amenities will make it convenient for shoppers and vendors alike.

Booth fees are listed on the contract below. We do NOT provide tables or any structures. The event will be held on the second floor of the building and outdoors in the front parking lot. We're thrilled to have a large modern freight/passenger elevator at our disposal at this venue. We will be accepting 60 (indoor) participants for this event and will extend the event into the parking lot.

You can email your completed application to southgatecrossingevents@gmail.com and we will invoice you for payment, or you can mail the application with payment to Southgate Crossing / 27751 CR 26, Elkhart, IN 46517. Please be sure to add southgatecrossingevents@gmail.com to your address book to ensure you will receive email communications. This event is open to crafters, direct sales vendors, food trucks, bakers, antique vendors & more. We reserve the right to limit the quantity of each type of vendor to offer shoppers a variety of quality vendors. All spaces will be filled on a first-come- first-serve basis and all invoices are due within 7 days unless prior arrangements are made. *Food vendors must provide the proper permits and licensing required by the Elkhart County Health Department.* Please complete the application below and send a minimum of three images of your CURRENT work or product. We will be using these photos on our social media pages to market the event if you are accepted. We pride our market on the attractiveness of product presentation and marketability, so photos of your merchandising are important.

Setup hours for indoor spaces will be Friday, June 21, 2024, from 1 - 6 pm and from 8 am – 10 am the morning of the event on June 22, 2024. Outdoor spaces will be allowed to set up from 8:00 am – 10:00 am the day of the event. Most indoor booths will have electricity but please indicate whether you need it on the application below so that we can create the best layout possible.
