

Join us for Southgate Crossing's Spring Vendor & Flea Market!

Southgate Crossing is one of the largest Amish-built peg and beam structures in the USA. This beautiful venue will be a stunning backdrop for dozens of local companies eager to promote their services. With an expansive parking lot and a variety of amenities, shopping and vendor experiences will be convenient for everyone.

Booth Fees are listed in the contract below. Please note that we do NOT provide tables or any structures. The event will take place on the second floor of the building, featuring a large modern freight/passenger elevator for convenience. We will accommodate 60 indoor vendors for this event, with the possibility of extending into the parking lot if we sell out of indoor vendor space.

Applications will be reviewed by event directors. Upon approval of your application, a payment request will be sent via email. To ensure you receive our email communications, please add southgatecrossingevents@gmail.com to your address book. This event is open to crafters, direct sales vendors, bakers, antique vendors, and more. We reserve the right to limit the number of vendors in each category to provide shoppers with a diverse selection of quality vendors. All spaces will be allocated on a first-come, first-served basis, and all invoices must be paid within 7 days unless prior arrangements are made.

****Setup Hours:****

- Indoor spaces: Friday, May 9, 2025, from 1 PM to 6 PM, and on the morning of the event, Saturday, May 10, 2025, from 8 AM to 10 AM.

- Outdoor spaces: Setup is only permitted on the day of the event, from 8 AM to 10 AM.

Most indoor booths will have electricity available. Please indicate your electricity needs on the application so we can create the best layout possible.

****Application Requirements:**** Please complete the application below and submit a minimum of three images of your current work, along with one image of your booth setup (if available). We take pride in the attractiveness of product presentation, so quality photos are essential. If accepted, we may use these photos on our social media pages to promote the event.
