Treat & Theme Inspiration

Since there are no sponsorship fees, we encourage you to get creative! You can provide candy, "sugar-free" items, or a mix of both. Here are some ideas for each station:

- **Jellybean Junction:** Small bags of jellybeans or colorful stickers.
- **Licorice Lagoon:** Red/black licorice twists or ocean-themed coloring pages.
- **Peppermint Forest:** Peppermint patties, candy canes, or red and white temporary tattoos.
- **Ice Cream Slopes:** "Ice cream" flavored hard candies or stickers of sundae treats.
- **Gummy Hills:** Individual gummy bear packs or bright neon wristbands.
- **Lollipop Woods:** Gourmet suckers or branded bubbles.
- **Peanut Acres:** Peanut-free pretzels/crackers or farm-themed temporary tattoos.
- **Ice Palace:** Blue/white rock candy or glittery snowflake stickers.
- **Gingerbread House:** Mini ginger snap cookies or "Decorate your own gingerbread man" coloring sheets.
- **Cupcake Commons:** Mini cupcakes or scented cupcake-shaped erasers.
- **Chocolate Mountain:** Mini chocolate bars or gold chocolate coins.

Sugar-Free & Branding Ideas

- **Coloring Pages:** Print a themed coloring sheet with your company logo and a "Thank You" message on the back.
- **Temporary Tattoos:** These are a huge hit and are very easy to hand out and apply.
- **Branded Stickers:** A great way for your logo to end up on notebooks or water bottles.
- **Activity Packs:** Combine a small treat with a coupon or business card in a clear bag for a "gift" feel.
