Where Mess Meets
Made-For-You Magic

WHY WE'RE DIFFERENT

3X TRIAL PROCESS

For each task that you want service, we will conduct a 3 times trial process. Here's how it works:

1

let us know exactly what you want done for a specific task

2

we do the task at 3 service visits and record the time it takes to do the task

3

we average the 3 times to come up with a final # for that task

4

the task is added to your "bank" of available tasks at any service visit

An example: you want us to clean all the toilets in the house (3). At the first three service visits, this takes us 25 minutes, 35 minutes and 30 minutes. The task would be added to the bank at 30 minutes (always rounding to the nearest 5 minutes).

NOTE: We reserve the right to revisit a task time if substantial changes have been made to the scope of the task. For instance, a family is having us remove pet waste and they get a new dog.
