Golf Bag Attachment Golf Bag Attachment Combo Kit Installation Instructions

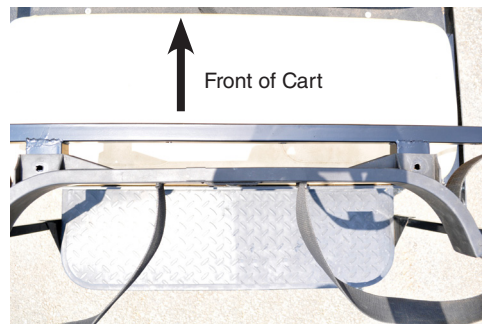

What's in the box:

- Golf Bag Attachment Bar
- Golf Bag Retainer Assembly*
- 2 x Lower Securing Strap*
- 2 x Threaded Knob
- 2 x Bolt
- 4 x Washer
- 2 x Nylock Nut

** included with Golf Bag Attachment Combo Kit ONLY*

1. Install Golf Bag Retainer Assembly onto Golf Bag Attachment Bar using supplied bolts, washers, and nylock nuts.

2. Place Golf Bag Attachment Bar assembly onto rear seat armrests and align so that the golf bag attachment is directly above the front most edge of the footrest when viewed from above.

3. Align a straight edge with the center of the welded in nut on the Golf Bag Attachment Bar and mark the outside of the armrest. This will be the center of where you drill.

4. Strike a vertical line on the armrest to mark drill location. Drill through armrest.

5. Line up Golf Bag Attachment Bar assembly with hole and fasten to armrest with threaded knobs.

6. Route Lower Securing Strap around bag well brackets and fasten.
