## Standards found at the time of inspection

Area inspected by food safety officer	Standards found
<b>Hygienic food handling</b> Hygienic handling of food including preparation, cooking, re-heating, cooling and storage	Very good
<b>Cleanliness and condition of facilities and building</b> Cleanliness and condition of facilities and building (including having appropriate layout, ventilation, hand washing facilities and pest control) to enable good food hygiene	Very good
<b>Management of food safety</b> System or checks in place to ensure that food sold or served is safe to eat, evidence that staff know about food safety, and the food safety officer has confidence that standards will be maintained in future	Very good

If you wish to see the food safety officer's report on which this rating is based, you can request this from the local authority that carried out the inspection. You can do this by sending an email to the address below. The local authority will consider your request and will usually send you a copy of the report. In some cases, the local authority may decide that they cannot do so but will let you know this and explain why.

## Are you the business owner or manager?

If any information on this page is incorrect you can email the correct information to your local authority by using the email address below.
