

Decor to Go

Prospective home buyers make their buying decisions within seconds of walking into a house!

Home Staging is the secret weapon of savvy real estate agents and home sellers looking to sell their property quickly and at the right price.

Home Staging is a way to renew and showcase your home and can be as simple as rearranging furnishings to a full redesign. We will meet with you to discuss your needs and make recommendations to maximize your profit.

Each property is unique and requires specialized care which means costs will vary according to material, labor and time involved. Call for Initial Consultation charges.

What about furnishings? We'll assist you in making those decisions and will also offer options of utilizing select items from our inventory.

Do you want to make a significant difference in how quickly and for how much your home sells?
