JUST LIKE A REAL ONE

No other like this magnificent natural beauty.

EVER ART BOARD®

This is an aluminum composite board covered with highly weather-resistant wrapping sheet, useful for a broad range of applications, whether indoors or outdoors, as a building material.

10-YEAR WARRANTY

1. On sudden color fading on the laminate sheet
2. On cracking of the laminate sheet

Expression

The texture is based on real materials as a motif, which will perfectly serve areas subject to landscape regulations or create spaces.

Easy handing

Not only for new constructions, this board is perfect for occasions requiring speedy construction.

Durability

We take pride in our 20 years of strength and quality.

Workability

Due to the panel type, the construction period can be significantly shortened compared to stone masonry & stone pitching.

NATURAL TOUCH

Unlike matte-finish surfaces, this series of products features a delicately textured surface for an extremely realistic result.

KYOTO SERIES × 4 Designs

WOOD SERIES × 5 Designs

JAPANESE SERIES × 2 Designs

The delicately textured surface creates subtle light and shadows to produce an ambience unlike any other. Takasho has created a material with an appearance as realistic as its natural touch texture. This ideal building material resolves many issues associated with natural materials, which can decompose, corrode, or make construction difficult.
