# EVER ARTWOOD

The delicately textured surface creates subtle light and shadows to produce an ambience unlike any other. Takasho has created a material with an appearance as realistic as its natural touch texture. This ideal building material resolves many issues associated with natural materials, which can decompose, corrode, or make construction difficult.

# EVER ART BOARD®

This is an aluminium composite board covered with highly weather-resistant wrapping sheet, useful for a broad range of applications, whether indoors or outdoors, as a building material.

## Expression

The texture is based on real materials as a motif, which will perfectly serve areas subject to landscape regulations or create spaces.

## Easy handing

Not only for new constructions, this board is perfect for occasions requiring speedy construction.

## Durability

We take pride in our 40 years of strength and quality.

## Workability

Due to the panel type, the construction period can be significantly shortened compared to stone masonry & stone pitching.

## 10-YEAR WARRANTY

1. On sudden color fading on the laminate sheet
2. On cracking of the laminate sheet
