ORGANISED BY

The **Dynamic Positioning Asia 2020**, for the 10th year running, will bring together DP experts, new technologies, a supporting exhibition and networking opportunities for the region's DP sector.

Partnered with the **Marine Technology Society Dynamic Positioning Committee**, DP Asia in 2020 will be a three-day event and will incorporate MTS DP Workshops planned and executed by industry technical and operational experts from the MTS DP Committee.

The Committee invites papers for the conference sessions on the following themes

WORKSHOP / CONFERENCE SESSION THEME

- **New & Future DP Vessel Technological Development**
- **Verification and Validation of AC & DC Power Systems with Common Points**
- **Advances in Sensor and Position Reference System Technology**
- **DP Digitalisation**
- **Cross connections in DP power and control systems**
- **DP Professional Competencies**
- **ASOG – Lifecycle and Implementation**
- **Class Rules, Vessel Assurance and Charterer Requirements**

The deadline for the submission of paper abstracts is **30 March 2020**.

The Committee requests that the abstracts indicate the conference session theme.

Please register your interest and submit your abstract, which should not exceed 300 words to mary@mediacomz.com.

Dynamic positioning technology is constantly evolving through innovations and improvements. Rules and guidelines for all aspects of DP vessel design, operations and professional development are under continuous development and there is high focus on safety and towards the delivery of incident free DP operations.

The conference will be an excellent platform for the speakers to address an experienced audience of multi-disciplined DP experts and stakeholders.

SPONSORS & EXHIBITORS OPPORTUNITIES

A wide range of sponsorship opportunities are available. Sponsors will be recognised in conference materials and at the event.

DP Asia provides a platform for a companies to showcase their products and services, enhance brand image, and to network with decision makers from the DP Industry.
