

TANITA® THE STANDARD

1210N PRECIOUS STONE DIGITAL MINI SCALES

Trusted by customers for more than 25 years, the Tanita mini scales, by which all others are measured. It is THE STANDARD in the industry, no one else even comes close!

- ◆ 100 carat Capacity, 0.01 carat Graduation
- ◆ 4 Modes of Operation (g, ozt, ct, grain)
- ◆ Simple operation and easy-to-read LCD display
- ◆ Convenient draft shield and soft carry case
- ◆ AC and DC power options

The 1210N is perfect for accurately weighing diamonds and precious gems, with 4 weighing modes – carat, gram, troy ounce, and grain. Incorporating a **draft-eliminating shield to remove even the slightest influence** from drafts or air currents it provides highly accurate readings on its easy-to-read 5 digit LCD. Features include tare and calibration functions, stability indicator, energy saving auto power-off, and a low battery indicator. Includes an AC adapter, you can operate the scale without battery power. Also includes soft case, gem cup, and 20g calibration test weight. A professional accuracy level of 0.01 carat is achieved for a total capacity of 100 carats, and the 1210N does not to be calibrated each time the scale is shut off.
