Save and use this guide when you vote by mail or in person.

We encourage you to take it with you or take a picture of it if you vote in person. All of our voter guides can also be found on our website. The Columbia County Democratic Committee does not endorse candidates in a primary election. This guide lists all Democratic candidates. Please research candidates when there is a choice. Please consider voting for any Democrats who are on your ballot for tax collector and auditor positions.

***Write-In Campaigns: There are many open spots on the ballot! We need good Democratic candidates for township supervisors, auditors, and tax collectors.**

If there is not a Democrat running for a local nomination, we encourage you to run a write-in campaign by arranging for at least 10 supporters to write your name in on the primary ballot. (They all have to use the exact same wording for your name.) We can provide a full list of openings and assist with write-in campaigns!
