

## SPRINGFIELD FAMILY CENTER

### November 2025 Newsletter

#### From the Executive Director

Over the years, our community has shown incredible compassion and generosity in supporting our mission to serve those facing food insecurity. Together, we've ensured that countless families, seniors, and individuals have access to food and the comfort of knowing they are not alone. Serving our food-insecure neighbors remains at the heart of everything we do, and that commitment is as strong as ever.

As the needs in our community continue to grow, we are seeing an unprecedented increase in demand for our services. To ensure we can continue serving everyone as equitably as possible, we may need to modify our services and the quantity of items distributed.

Please know that these shifts come from a place of care and responsibility, as we work to stretch our resources and make certain no one is left without support. This does not change our dedication to ensuring that no one in our community goes hungry.

Our team is working thoughtfully to adapt while staying true to our mission of feeding and caring for our neighbors with dignity and compassion.

We kindly ask for your flexibility, patience, understanding, and encouragement as we navigate these uncertain times together. Thank you for trusting us; we are honored to stand with you and walk through this journey side by side.

With great care,  
The Springfield Family Center Team

# Food Insecurity in Springfield

Currently, 2 out of 5 Vermonters don't have enough to eat...

Springfield faces a poverty rate nearly double the states average.

More than 30% of households in Springfield are cost-burdened, spending so much on rent, it leaves very little for food.

We invite you to stand with us in the fight against hunger. Together, we can ensure that everyone in our community has enough to eat.

## How You Can Help

Your donation directly supports programs that feed local families with dignity, compassion, and care.

- \$25 provides a week of groceries for a family of 2.
- \$100 provides 30-hot, nutritious, in-house made meals.
- \$250 provides two weeks of groceries for a family of 4.
- \$500 helps keep our in-school food pantry stocked.

*Scan the QR Code and make a donation today!*

We could not do what we do without caring partners like you!

Since launching this initiative in late July 2025, we've already distributed over 600 meals through these extended access points, providing critical nourishment when and where it's needed most.

## **The Moover Is Making Some Big Changes!**

Starting November 17th, The Moover will be rolling out an exciting new way to get around! Instead of following set routes, the service will transition to a Microtransit system, an Uber-like model where riders schedule trips ahead of time.

This change will make transportation more flexible and responsive to your needs, but it will also be a little different from what riders are used to.

Want to Learn More?

Check out the flyer for details on upcoming public meetings where you can ask questions and learn how to use the new system.

Can't make it to the public meetings? Stop by the Springfield Family Center on Wednesday, November 12th, from 10:30 AM – 1:00 PM. Representatives from The Moover will be there to answer any questions and help you get ready for the transition.

## Microtransit Public Meetings

On November 17, 2025, Springfield's fixed bus route – the Springfield In-Town Route – will be changed to microtransit service.

### What is Microtransit?

Microtransit is a FREE Uber-like system of real-time public transit service open to all members of the public anywhere within the Town of Springfield's and North Springfield's boundaries.
