Springfield Family Center Receives: Springfield Regional Area Chamber of Commerce Organization of the Year Award

All of us at the Springfield Family Center are deeply honored to have received the **2025 Organization of the Year Award at the 110th Springfield Regional Chamber of Commerce Annual Meeting** on January 30, 2026. This recognition belongs not only to our organization, but to the entire community that has walked alongside us and made this work possible.

For nearly six decades, the Springfield Family Center has been a place of support, connection, and resilience, meeting individuals and families where they are, listening first,

and offering care rooted in compassion, dignity, and hope. This award reflects the shared commitment of our partners, supporters, and neighbors who believe, as we do, that no one should have to worry about where their next meal comes from. That belief is at the heart of everything we do, and we are deeply grateful for the trust our community places in us each day.

We would also like to take a moment to honor the founder and original heartbeat of the Springfield Family Center, Myrtle Birsky. It is with heavy hearts that we share that Myrtle passed away on January 14. We dedicate this recognition to her—her spirit and unwavering belief in the power of community continue to guide our work.

That legacy is carried forward daily by SFC's devoted staff: Steffanie Baker, James Harris, Keegan Mack-Chase, and Executive Director Trisha Paradis, whose compassion, perseverance, and tireless dedication embody Myrtle's vision. We also extend our sincere thanks to the Springfield Regional Chamber of Commerce for recognizing our efforts and honoring our role as a vital part of this community.

This recognition belongs to Myrtle, to our staff, our Board of Directors, our supporters and volunteers, and to the individuals, families, and community we are honored to serve.

Thank you. Together, we are making a meaningful difference.

Springfield Family Center Helps Feed Youngest Community Members

Did you know we currently operate and stock two in-school pantries at local schools? These pantries ensure children have access to nutritious food during nights, weekends, holidays, and school breaks. Due to growing need, we've recently been asked to launch a third in-school pantry, helping even more children get the food they need to thrive. Our pantries are restocked once a month to ensure students always have access to fresh and nutritious food.

You can help!

Please consider dropping off in-date food items, earmarked for our in-school pantry

programs. You can also purchase items directly through our Amazon School Pantry Wish List, or make a monetary donation earmarked for school pantries.

Community Partner Spotlight: Springfield Supported Housing Program

Spotlight on Community Leadership: Tara Chase

The Springfield Family Center would like to shine a light on Tara Chase, Operations Director of Springfield Supported Housing Program.

During recent frigid temperatures, Tara quickly coordinated with Project ACTION and local businesses to set up an emergency warming shelter. The shelter included cots, food,

hygiene supplies, and much more from various partners, providing a safe, warm place for individuals in need of shelter.

This effort truly shows the power of community coming together. Visit SSHP's social media for a complete list of participating organizations and see just how much can be accomplished when we work together! Visit SSHP here to learn more about their important work in the community.

Help keep the warming shelter open when it's needed most. Volunteers NEEDED!

January Buy A Day Honorees

Buy a Day, Make a Difference" Honorees – January 31: August & Andrea of Plainsbrook Farm

All of us at SFC are so grateful for these incredible supporters, who have been champions of our work for years. They generously donate hundreds of dozens of eggs, pounds of beef, and fresh farm-raised foods to help feed our neighbors.

Their impact goes far beyond food; August & Andrea also give their time, care, and energy to make sure our neighbors have not just enough to eat, but healthy, high-quality foods they can enjoy with dignity.

Because of their generosity, people in our community don't just eat for a day, they are nourished all year long. Thank you, August & Andrea, for your kindness, your heart, and your unwavering commitment to our neighbors.
