Company Overview

H&H Contract Haulers is a **WBENC-Certified, family-owned hauling company** based in Southwest Michigan. Since 2015, we've provided dependable trucking and aggregate hauling services to contractors, municipalities, and developers. We specialize in delivering materials safely, on time, and exactly where you need them. Our mission is simple: to keep your projects moving with precision hauling and reliable service.

Core Competencies

- Aggregate hauling (stone, gravel, sand, asphalt millings, fill dirt) • Heavy equipment and material transport
- Site hauling for construction and infrastructure projects
- Short-haul trucking services across Michigan
- Safe, timely delivery with experienced drivers

Differentiators

- **WBENC-Certified Women's Business Enterprise.** Helping clients meet supplier diversity goals
- **Family-owned and operated.** Commitment you can trust
- **Local expertise.** Strong knowledge of Michigan construction needs
- **Proven track record.** Reputation for accuracy, reliability, and professionalism
- **Flexible fleet.** Able to scale to project size and client demand

Past Performance

- Provided hauling services for municipal infrastructure upgrades in Southwest Michigan
- Supported site development and material transport for residential and commercial projects
- Partnered with local contractors for aggregate delivery and site prep hauling
- We have worked for: Michigan Paving, Kalamazoo Excavating, Van Buren County Road Commission, and Kalamazoo County Road Commission
