### 1. Introduction

Welcome to the Sustainability & CSR Report for Climatech for the year 2024. This report outlines our commitment to sustainable practices and our ongoing efforts to make a positive impact in Saudi Arabia. We are dedicated to advancing economic, environmental, and social sustainability in alignment with Saudi Arabia's Vision 2030.

### 2. Our Vision and Mission

**Vision:** To be a leading example of sustainability and corporate responsibility in Saudi Arabia, driving innovation and positive change in our community and environment.

**Mission:** To integrate sustainability into all aspects of our business operations, enhance the well-being of our stakeholders, and contribute to the socio-economic development of Saudi Arabia.

### 3. Sustainability Strategy

Our sustainability strategy is centered on three core pillars:

1. Environmental Stewardship
2. Social Responsibility
3. Economic Growth

We align our efforts with Saudi Arabia's Vision 2030 goals, focusing on diversification, innovation, and sustainable development.

### 4. Key Achievements in 2024

- **Reduced Carbon Footprint:** Achieved a 20% reduction in gas emissions through energy-efficient technologies and renewable energy initiatives.

- **Community Engagement:** Invested SR20,000 in local community development programs, including education and healthcare initiatives.

## 5. Environmental Stewardship

### Energy Efficiency

- Installed solar panels across 10% of our facilities, generating 5% of our energy needs from renewable sources.
- Upgraded to energy-efficient lighting and HVAC systems, reducing overall energy consumption by 25%.

## 6. Social Impact

### Community Development

- Supported educational initiatives by Training Saudi Engineers on renewable systems and EV Charging solutions without charges.

### Local Partnerships

- Collaborated with local businesses and government agencies to support regional economic development and innovation.

## 8. Future Goals

- **Climate Neutrality:** Aim to achieve carbon neutrality by 2050 through continued investment in renewable energy and emissions reduction technologies.
- **Community Impact:** Expand our community engagement programs to reach more underserved areas and address critical social needs.
- **Innovation:** Continue to drive innovation in sustainable practices and technologies, setting new standards for environmental and social responsibility.

## 9. Conclusion

We are proud of the progress we have made in 2024 and remain committed to advancing our sustainability and CSR objectives. Our efforts are guided by our dedication to supporting Saudi Arabia's Vision 2030 and making a meaningful impact on our environment and community.
