

# YOUR DEPARTMENT — OF LOGISTICS

Some companies have a marketing team.

Others, finance.

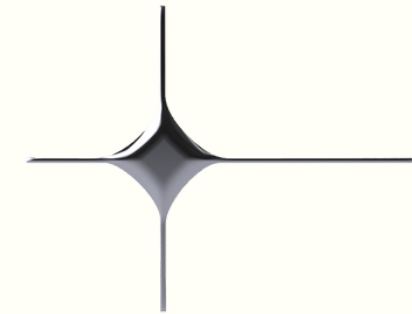

But when timing is everything...

You need a Department of Logistics.

— Not a logistics provider.

Your Department of Logistics.

**We don't move packages. We solve missions.**

- We move at the speed of flight —literally.
- Deliveries in under 12 hours.
- White glove treatment.
- 24/7 real-time communication.
- No delays. No excuses.

**If it's critical,  
it's IPX.**

—Mission-Critical Deliveries.

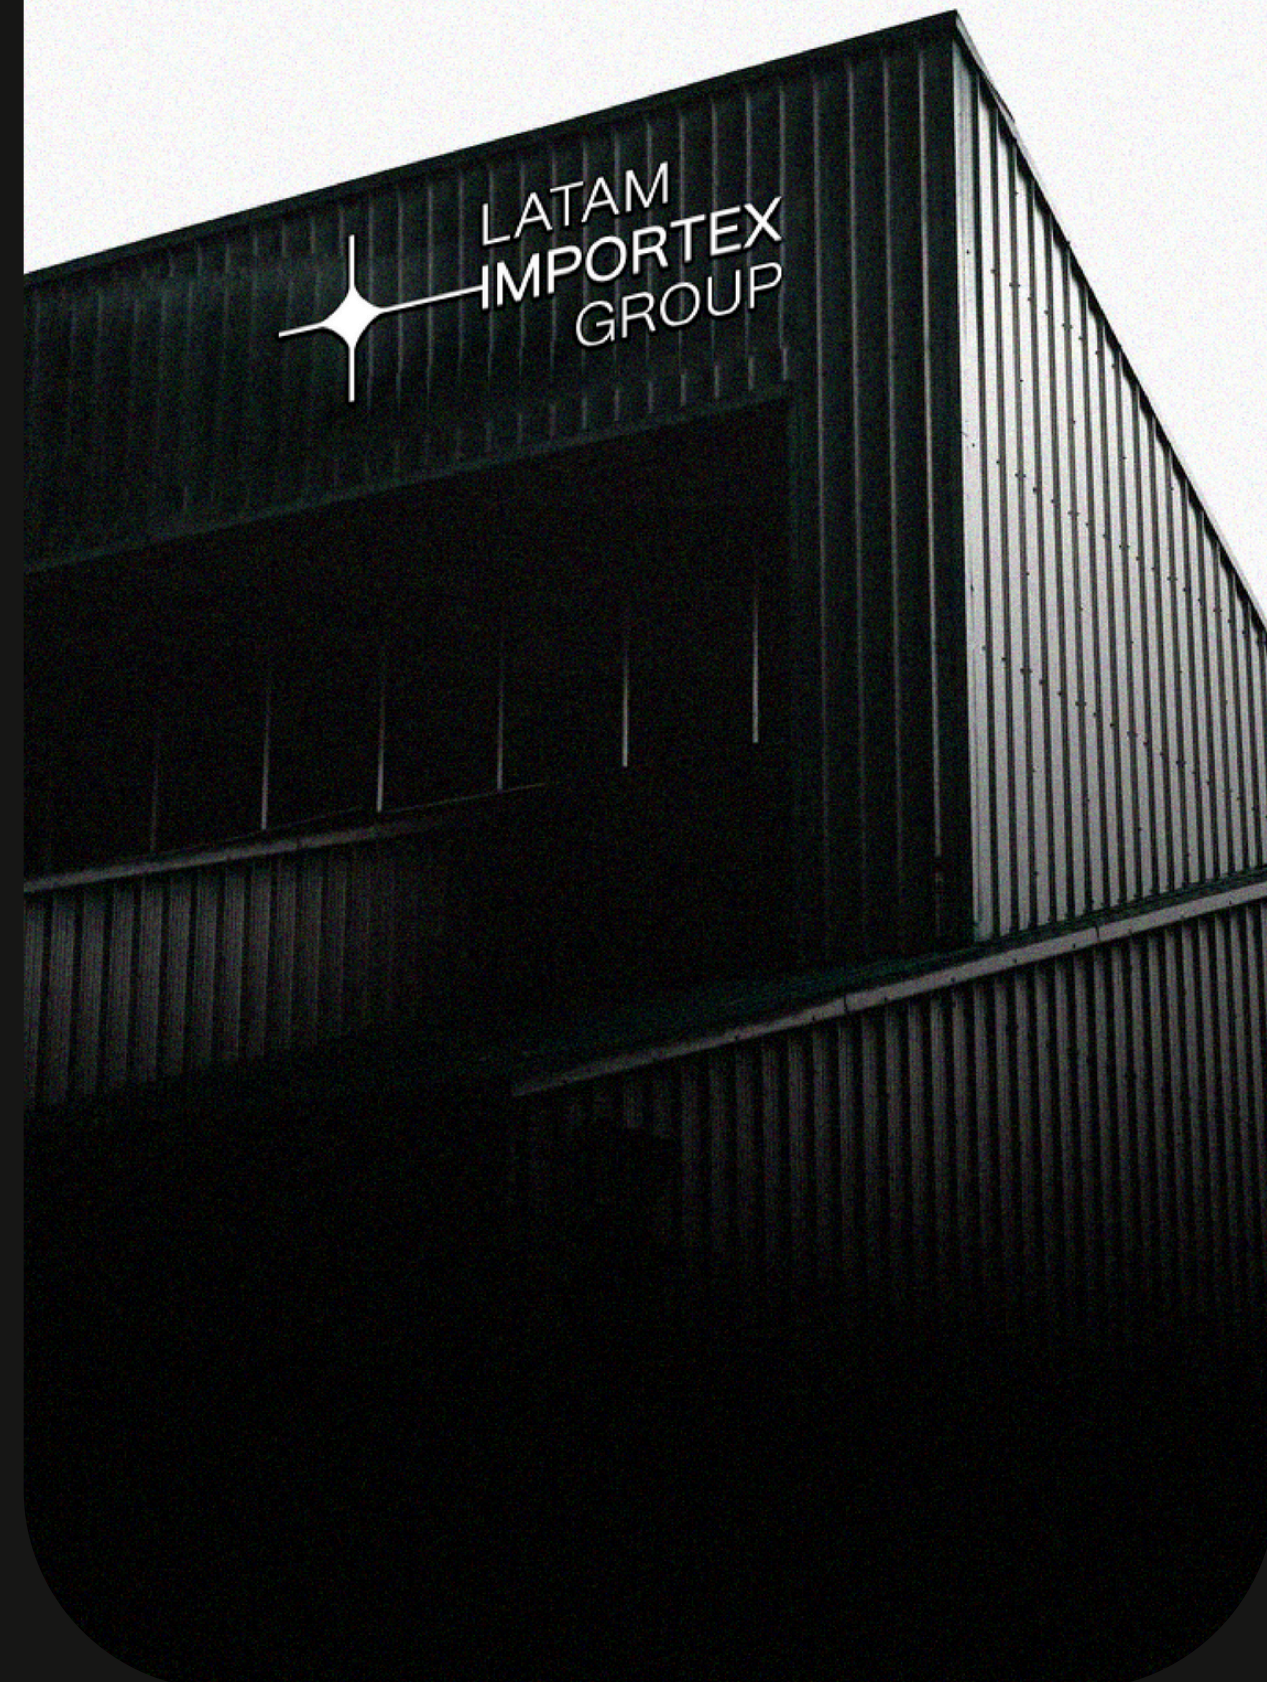

Globally.

- From aircraft parts to haute couture
- From luxury vehicles to art pieces
- Trusted by elite industries across the globe
- Experts in customs, IMMEX, carnet ATA & hand-carry

Every shipment is a flash of excellence.

Every client is treated like a partner.

# We don't outsource. We integrate.

IPX becomes part of your operations.

We anticipate.  
We solve.  
We deliver.

No tracking numbers.

You get mission updates.

Some companies have a finance department. Others, marketing. But when your operation runs on urgency and precision, you need a Department of Logistics that thinks like you do.

We are **LATAM IMPORTEX GROUP**.  
We don't handle packages—we execute missions.

From aircraft parts and haute couture to medical-grade components, we understand that every delivery isn't just urgent—it's irreplaceable.

Aviation formed us.  
Precision defines us.  
Speed distinguishes us.

— Let us be your  
Department of  
Logistics.

We're ready when  
you are.
