

## POWER OF PRODUCE KIDS CLUB SPONSORSHIP OPPORTUNITIES 2026

We would like to invite you to become a Power of Produce (POP) Kids club Sponsor this year. Our market provides a kids club where children ages 4-12 can come do an educational activity about growing their own food or testing locally grown fresh fruits and vegetables. After the kids do the activity, they get \$4 to spend at the market on fresh fruits and vegetables.

This sponsorship would give you a unique opportunity to increase your business visibility, meet with our customers face to face, and become a part of our market family

Each week we average 75 children that participate in our club at each market. This is \$300 worth of fresh fruits and vegetables that is taken home to our local families.

A \$300 Sponsorship opportunity consists of the following:

- A sign provided by your business displayed at our POP club booth for one market day.
- Advertisement on our social media accounts and website.
- An opportunity to be at the POP booth participating in the activities and giving out information about your business.

Dates the POP club will be at our Markets:

**Date and Time:**

<u>Lebanon Market</u>	~JUNE 11th – AUG 27th	Every Thursday 2-6pm~
<u>Sweet Home Market</u>	~ JUNE 9- AUG 25th	Every Tuesday 2-6pm~

If you have any questions, please email [shldfarmersmarket@gmail.com](mailto:shldfarmersmarket@gmail.com)

**Thank you for your consideration!**

Sincerely,  
Belinda Bayne, Market Director  
Tammie Frangente, President  
Heather Wright, Secretary
